Following feedback from Deputies and consultation with an ILS mentor, we are pleased to offer a new model of costing for settled cases.

- 🔄 Fixed monthly payments
- 🔄 Monthly summary sent of actual hours of work undertaken
- 🔄 Annual review
- 🔄 Fixed payment adjustments for the following year

Once Case Management costs have been estimated and agreed or based on previous years costs, a schedule of monthly fixed payments is put in place, enabling easier budgeting and draw down of client's funds.

Monthly summary sent of actual hours of work undertaken but the monthly payments remain the same until the end of the first year when they are reviewed. Calculations for the following year's fixed monthly payments is recalculated and adjusted to redress any over or underpayment.
